About Heimbach

Heimbach is a global supplier of Paper Machine Clothing producing a broad spectrum of fabric specifications to suit all types of paper manufacture. They have established themselves as the supplier of choice within their industry.

With a legacy dating back to 1811, the company now employs 1400 people across the world. The site in Manchester is one of six manufacturing sites across Europe and China. They are part of the forming fabrics division, supplying high-value quality-driven fabrics.

HIGHLIGHTS OF THE VISIT

Heimbach can be defined as a make-to-order and versatile manufacturing company. At the Manchester site there are 8 looms producing fabrics upto 14.6m wide. Heimbach will share with visitors the tools and techniques that they have used to:

- Develop visual management
- Improve manufacturing efficiencies
- Increase levels of engagement of all employees.
- Improve product quality
- Developed training systems
- Introduced TPM

Each of these activities has been introduced whilst maintaining a focus on customer needs and demands. Their aim is to deliver right first time consistently and every time.
