About Marshalls

Marshalls is the UK's leading supplier of concrete and natural stone products for external landscaping. We manufacture products for both commercial and domestic markets, including paving, block paving, kerb and edgings, drainage and water management solutions, protective street furniture, lighting, concrete bricks, masonry, walling and mortar.

The Marshall's vision is to "Create Better Spaces" and "Futures for everyone", socially, environmentally and economically

HIGHLIGHTS OF THE VISIT

Marshall's are 4 years into a Continuous Improvement Journey that has embraced Lean as well as SHINGO principles. They have deployed and engaged their teams in the delivery of waste reduction projects and seen a significant return on investment; increased engagement and improved productivity. On the visit Marshalls will share their journey and you will get to see some of the individual projects and programmes that have changed the way that they work.
