About TRUMPF UK

TRUMPF has been a Family business since 1923. Innovation and technology leading is important to TRUMPF's strategy. With nearly 15,000 employees worldwide and revenue over 3.5 billion Euros there is a global manufacturing network, all linked and optimised by SYNCHRO (TRUMPF's Lean model).

In addition to Laser manufacture, TRUMPF produce Machine tools for cutting and bending materials. Other business fields include Additive manufacturing, Photonic components and Extreme Ultra Violet lasers (used in semiconductor manufacture).

The visit will focus on Unit 4 in Southampton. There are two other Production units in Southampton, for other Product line assembly and Fibre Production. There is also a Production site in Rugby, who is both a Customer and Supplier to Southampton Cells.
