## VISIT INFORMATION PACK

### About Princes Foods

With a global supply network and a portfolio of branded and customer own brand products, Princes is one of Europe's largest food and drink groups.

We specialise in sourcing and manufacturing quality products and, as a leading international grocery supplier, millions of consumers across Europe buy our brands and products every day.

Owned by Newlat Foods since 2024 the company continues to grow both organically and through acquisition.

Princes Food brands include: Napolina, C&D, Flora, Batchelors, Branston, Crosse & Blackwell, Jucee and Trex. Its own branded products are well established household names across the world.

The company's vision is Delighting more people with more sustainable choices. They are proudly offering great tasting choices for everyone without costing the earth.

### HIGHLIGHTS OF THE VISIT

Belvedere site is the UK's leading and largest producer of olive and specialty oils, plus capability to pack balsamic vinegars and soy sauce. With six production lines, Belvedere packs more than 150 different sizes and formats for brands such as Napolina and customer own label products. These products are produced in PET, glass bottles and bulk containers.

Lean and continuous improvement has been applied across the site to help them deliver improved value for their customers. On the visit you will see excellent visual management, workplace organisation and how they have used lean tools to drive cost reduction and process improvements.

You will also see how Princes have achieved excellent levels of engagement through training and communication to support their CI activities.
